

NEF EURO SHORT TERM BOND - C

Investment Policy

The objective of this bond Fund is to achieve a short term performance. The Fund's investment decisions are made on a discretionary basis. The Fund mainly invests in Euro bonds issued by first class public and private institutions. These bonds have an average maturity of maximum three years or an interest rate adjusted at least annually based on the market conditions. Financial techniques and instruments for hedging and/or non hedging purposes may be used. Income generated by the Fund is reinvested and included in the value of units. Investors can buy or sell units of the Fund every day which is a bank business day in Luxembourg. Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 3 years.
