

Investment Policy

The Fund's units are included among eligible investments that shall be held in a "Piano di Risparmio a lungo termine" (PIR) under the Italian 2017 Budget Law ("Law No 232 of 11 December 2016"). The Fund shall invest, in each calendar year, at least 70% of the net assets in financial instruments, issued by, or entered into with companies not engaged in real estate business (as defined under Law No 232 of 11 December 2016), which are resident in Italy, or in an European Union or European Economic Area Member State and have a permanent establishment in Italy. At least 30% of these financial instruments, which corresponds to 21% of the Fund's net assets, shall be issued by companies which are not listed in the FTSE MIB index or in any other equivalent indices. The above limits shall be fulfilled, in each calendar year, for at least 2/3 of the year. The Fund cannot invest more than 10% of the net assets in financial instruments issued by, or entered into with the same company, or companies belonging to the same group, or in cash deposits and checking accounts. The Fund cannot invest in financial instruments issued by companies which are not resident in countries that allow an adequate exchange of information with Italy. The Fund's net assets will be invested in transferable securities of a monetary, bond or equity nature (equity from 20% to 40% of its assets). The Fund will not invest in distressed or defaulted securities. The base currency of the Fund is Euro. The exposure to currencies other than Euro will not exceed 30% of the Fund's net assets. The Fund's net assets may be invested in: debt and debt-related instruments of any kind, including for example bonds and money market instruments, issued by non-Italian's issuers with a rating below Investment Grade or unrated, at issue or issuer level, up to 30%. There is no rating limit with regard to Italian issuers and unrated issuances from Italian issuers will not exceed 10% of the Fund's net assets. Issuances from Italian issuers may have a rating below Investment Grade which may exceed 50% of the Fund's net assets; in parts of UCITS and/or others UCIs compatible with the investment policy of the Fund, up to 10%. Income generated by the Fund is reinvested and included in the value of units. Investors can buy or sell units of the Fund every day which is a bank business day in Luxembourg.
