

NEF US EQUITY - C

Investment Policy

The objective of this equity Fund is to achieve total return. The Fund's investment decisions are made on a discretionary basis. The Fund mainly invests in stocks from issuers domiciled in the USA. Investments in stocks issued by companies located outside the USA are permitted. From time to time the Fund may employ hedging techniques and hold cash reserves. Income generated by the Fund is reinvested and included in the value of units. Investors can buy or sell units of the Fund every day which is a bank business day in Luxembourg. Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 5 to 6 years.
